Weekly Programs taking place at the Great Lakes Children's Museum

Saturday 3/08, 10:00am to 2:00pm: Science Saturday w/ Laura Higgins & GT Butterfly House

Join the Great Lakes Children's Museum and entomologist Laura Higgins, Ph.D., as we learn about the amazing world of insects! And don't worry if you are a little squeamish about bugs, Laura was too as a kid. She promises everyone can find something to love about insects. Laura will be joined by GT Butterfly House & Bug Zoo; they will bring a Madagascar hissing cockroach and other live bugs.

[No special registration is needed and there is no cost to this program. Just book your admission as usual and participate if you want to!](#)

Thursday 3/13, 10:00am to 12:00pm: KID'S CRAFT LAB: Watercolor Drip Drop

Drip and drop watercolor paint on to a coffee filter. Watch the color travel and mix! Make a bunch. Each one will be different.
